C/PP. See attached radio item. If there is to be a huge commie parade in Guat city on the 18th, shouldn't we do something about it — eg airdrop of leaflets by P.38, stink bombs or other disruptive devices, or the like? I believe that a communist mass demonstration, helplessly dispersing because of our interference, would do a lot to shatter govt morale and to improve feelings on our side.

yes indeed! []
